

Table of Contents

1	EXECUTIVE SUMMARY	7
2	INTRODUCTION.....	15
3	BACKGROUND INFORMATION	16
3.1	Background information to Nutrition and Health	16
3.2	Nutrition Survey Results.....	18
3.3	Urban – Rural – Comparison	19
3.4	Feeding Programme Coverage.....	21
3.5	Interpretation of currently available background data.....	21
3.6	The Health Sector	22
4	ADDITIONAL SECTORS OF INTEREST FOR ECHO FUNDING.....	24
4.1	Human Resources development.....	24
4.2	Expanded Programme of Immunization (EPI)	24
4.3	Drug Procurement.....	24
4.4	HIV/Aids	24
5	ECHO'S STRATEGY	27
6	PROGRAMME DESIGN AND MAJOR FINDINGS.....	28
6.1	Planning of Health and Nutrition Programmes	28
6.2	Intervention strategy – lessons learned	29
6.3	Monitoring and evaluation – lessons learned	33
6.3.1	School feeding	33
6.3.2	Supplementary feeding – at community level	34
6.3.3	Supplementary feeding – at clinic level.....	34
6.3.4	Therapeutic feeding programmes	35
6.3.5	HIV/AIDS – Home Based Care programme.....	37
7	RELEVANCE / APPROPRIATENESS OF NUTRITION AND HEALTH-RELATED INTERVENTIONS	38
8	EFFECTIVENESS (MEANS TO ACTIVITIES).....	39
9	EFFICIENCY (ACTIVITIES TO RESULTS).....	40
9.1	Technical Approach	40
9.2	Inputs.....	41
9.3	Outputs (Results)	41
9.4	Unplanned results – Lessons learned.....	41
9.4.1	Wet feeding	41
9.4.2	Therapeutic feeding	42
9.5	Quality of monitoring and evaluation (accountability to donors)	43
10	EFFECTIVENESS (RESULTS TO SPECIFIC OBJECTIVES)	43

11	COVERAGE	44
12	IMPACT	45
13	SUSTAINABILITY	45
13.1	Community participation.....	45
13.2	Connectedness	46
13.3	Coherence.....	46
14	CROSS CUTTING ISSUES	47
14.1	Focus on both – curative and preventive activities (LRRD).....	47
14.2	Gender	47
14.3	Children, orphans, elderly, disabled.....	48
14.4	IDPs and displaced farmers.....	48
14.5	HIV/AIDS	49
14.6	Protection and human rights	49
14.7	Visibility	49
15	RECOMMENDATIONS.....	49
15.1	Recommendations at strategic level.....	49
15.2	Proposed additional areas of ECHO funding.....	50
15.2.1	HIV/AIDS	50
15.2.2	Availability and accessibility of Essential Drugs	51
15.2.3	Training of Health staff	51
15.2.4	Blood Safety	51
15.2.5	EPI.....	51
15.2.6	Community-based therapeutic care (CTC) or Outpatient therapeutic care (OTC)	51
15.3	Recommendations at management level.....	52
15.4	Recommendations at operational level.....	52
15.4.1	School feeding	52
15.4.2	Supplementary feeding	52
15.4.3	Therapeutic feeding	53
15.4.4	Home Based Care (HBC) for HIV/Aids patients and family members.....	54

Annexes

- I. People interviewed
- II. Map Global Acute Malnutrition
- III. Cost per beneficiary per month of SCHOOL feeding programmes
- IV. School feeding programme EMOP 10290
- V. School feeding programme planned coverage EMOP 10290
- VI. Prevalence of global acute malnutrition versus school feeding (RRU, 2004)
- VII. Cost per beneficiary per month of SUPPLEMENTARY feeding programmes
- VIII. Prevalence of global acute malnutrition versus supplementary feeding programmes (RRU, 2004)
- IX. Comparison of macronutrients of Corn Soya Blend (CSB) with comparable porridges made of Maize (cereal), Beans (legumes), Peanut Butter (MBP) or Maize, Green Leafy Vegetables, Peas, Peanut Butter (MGPP)
- X. Comparison of micronutrients of CSB, MBP, MGPP
- XI. Map Severe Acute Malnutrition
- XII. Cost per beneficiary per month of Therapeutic feeding programmes
- XIII. Global and severe acute malnutrition by District and Province (Unicef 2003)
- XIV. Therapeutic feeding programmes: Training and Implementation Status

- XV. Prevalence of severe acute malnutrition versus coverage of therapeutic feeding (RRU, 2004)
- XVI. Bibliography
- XVII. Terms of Reference for the Zimbabwe Evaluation

List of Acronyms

AIDS	Acquired Immune Deficiency Syndrome
ART	Anti-Retroviral Therapy
CDC	Centre for Disease Control
CHBC	Community Home Based Care
CSB	Corn Soya Blend
CTC	Community based Therapeutic Care
DAC	Development Assistance Committee
€	Euro
EC	European Commission
ECHO	European Commission Humanitarian Aid Office
EDF	European Development Fund
EMOP	Emergency Operation Plan
EPI	Expanded Programme of Immunization
EU	European Union
GAM	Global Acute Malnutrition
GFATM	Global Fund to Fight AIDS, Tuberculosis and Malaria
GoZ	Government of Zimbabwe
HARP	Humanitarian Assistance and Recovery Programme
HBC	Home Based Care
HFA	Height For Age
HIV-AIDS	Human Immunodeficiency Virus – Acquired Immune Deficiency Syndrome
IDP	Internally Displaced People
INGO	International Non-Governmental Organisation
LFM	Logical Framework Matrix
LFA	Logical Framework Approach
LRRD	Linking Relief, Rehabilitation and Development
MBP	Maize-Beans-Peanut Butter
MGPP	Maize-Green Leafs-vegetables-Peas-Peanut Butter
MoE	Ministry of Education
MoH	Ministry of Health
MOHCW	Ministry of Health and Child Welfare
