## Acknowledgements

I’d like to offer my thanks to all agency staff who agreed to be interviewed – the key interviewees are listed in the Appendices, but I also spoke to a range of other staff not named in that list, and my thanks extends to them as well.

I would like to specifically thank the staff of CARE Pakistan, my hosts during the visit, particularly Navaraja Gyawali, Lise Tonelli, Ismail Mansour, Ray Worner and Tahira in Mansehra. I would also like to thank the office of Oxfam in Islamabad for arranging my visa, particularly Farhana Faruqi Stocker, Jane Cocking and Naghma Qazi. Finally, I would like to thank Aziza Abdurazakova of CARE in Atlanta and Chris Meadows of Oxfam in London for their support in organising the visit.
